يعد الكتاب "المحمدون من الشعراء" من أهم الكتب الشعرية للقرن السابع الهجري، ألفه علي بن الحسن القفطي المصري يتناول ما ينوف على ثلاث مائة شاعر من مختلفي القرون، والأمصار المبدوءة أسماءهم بمحمد تبركا باسم نبينا محمد صلى الله عليه وسلم، وحاول أن يجمع شعرهم في جميع الأغراض الشعرية من الوصف، والمدح، والهجاء، والفخر إلى جانب السياسة، والفلسفة. رغم كونه كتاب قيم في بابه ظل خلف ستار الخمول، والذهول، ولم يتفكر أحد في طبعه إلى أن قامت دائرة المعارف العثمانية حيدر آباد بطبعه أول مرة سنة 1358 الهجرية الموافق سنة 1966 الميلادية، بتحقيق الدكتور عبد الستار خان الذي نال به الشهادة العالمية للدكتوراة بالجامعة العثمانية، ولدائرة المعارف العثمانية تاريخ مضيء جدير بالثناء والتقدير في نشر الكتب العربية وطبع المخطوطات التي تكاد أن تكون فريسة الذهول، ثم طبع هذا الكتاب مرات في البلاد العربية الأخرى كالسوريا، والجزائر وبيروت بتحقيقات أخرى، ولكن طبعة دائرة العثمانية باعتناء الدكتور عبد الستار خان يمتاز بإحرازه قصب السبق، وجودة التحقيق، وصحة المواد.

#### نبذة عن حياة المؤلف:

هو جمال الدين أبو الحسن علي بن يوسف الشيباني، الملقب بالقاضي الأكرم والمعروف بالقفطي نسبة إلى بلدته قفط (بكر القاف وسكون الفاء) بصعيد مصر، وهو من سلالة عربية ينتمي إلى قبيلة شيبان، نشأ في بلدته، وترعرع فيها، وأخذ العلم عن علماء قفط، وكانت مدينة قفط حينئذ تعمر بالعلماء والفضلاء ولكونه ممرا للتجار، والحجاز نزل فيها عدد غير قليل من أصحاب العلم، والفضل.

درس القفطي القرآن والحديث وغيره من العلوم كالنحو واللغة على يد والده كما أحاط بقسط من الفلسفة وعلم الكلام وأخذ النثر عنه أيضا، وكان شغفه بالتاريخ، فظهرت موهبته فيها حيث ألف كتبا كثيرة في هذا الفن، والكتاب الذي نحن بصدد وصفه أيضا من كتبه التاريخية التي تبحث عن تاريخ الشعراء من مختلف العصور، والبلاد المبدوءة أسماءهم من محمد.

\* أستاذ ضيف بجامعة اللغة الإنجليزية واللغات الأجنبية، حيدر آباد.

وكان من رحلاته العلمية سفره إلى مدينة القاهرة، والإسكندرية ليأخذ عن علمائها وصحب والده إلى بيت المقدس ولم يكن وقوفه فيها طويلا وغادره حين تعرض المقدسيون إلى الأهوال والأقدار ثم يمّم إلى مدينة "حلب" فطاب له المقام فيها، واطمأن لها، وذاع صيته فيها، وقصده الوراقون والناسخون وباعة الكتب، ومن أشهرهم ياقوت الحموي وتولى المناصب المتعددة فيها من الوزارة، وإدارة الديوان.

قد خلف لنا القفطي مؤلفات كثيرة من بينها: "إخبار العلماء بأخبار الحكماء"، "وأخبار المتيمين"، "والمحمدون من الشعراء"، "إنباه الرواة على أنباه النحاة" وهو من أهم كتب التراجم للغويين، والنحاة، والفقهاء، والأدباء، والشعراء، وهذه التراجم شاملة دون أن تختص بعصر من العصور، ولا بإقليم من الأقاليم، رتب تراجمه وفق حروف المعجم مع بعض التجاوز، وللكتاب أسماء عرف بها من مثل «أخبار النحاة» و«تاريخ النحاة»، وهو مطبوع في مطبعة دار الكتب المصرية بتحقيق محمد أبو الفضل.

### علمه وفضله:

كان القفطي يتمتع بموهبة فطرية فكان من العلماء النادرين الذين برعوا في فنون عديدة، وكتبوا فيها فلم يدع مجالاً إلا كتب فيه، وترك بصماته الواضحة في كل فن من الفنون يقول فيه صاحبه ياقوت الحموي: وكان (القفطي) جم الفضل كثير النبل عظيم القدر، إذا تكلم في فن من الفنون كالنحو واللغة والقراءة والفقهاء والحديث والأصول والمنطق والرياضية والنجوم والهندسة والتاريخ والجرح والتعديل، قام به أحسن قيام، كان سمح الكف طلق الوجه، صنف الإصلاح للخلل الواقع في الصحاح للجوهري، الضاد والظاء، تاريخ النحاة، تاريخ مصر، المحلى في استيعاب وجوه كلا<sup>1</sup>.

ويقول فيه صاحب سير النبلاء: (القفطي) كان عالما متفننا، جمع من الكتب شيئا كثيرا يتجاوز الوصف<sup>2</sup> كان القفطي رحمه الله شغوفاً بالعلم، وحريصاً على جمع الكتب فكان يجمع الكتب ويعلق عليه ويبين النسخ ويقابل بينها وهذا إن دل على شيء فإنما يدل على اهتمامه بالكتب، والحفاظ على العلم الذي ورثه من كابر إلى كابر فلم نجد في عصره من بلغ هذا الطموح، والحرص على حفاظ التراث العربي يقول ياقوت الحموي:

"كان القاضي الأكرم المذكور جماعة للكتب حريصا عليها جدا لم أر في من لقيت مع اشتغالي على الكتب وبيعي لها وتجارتي فيها أشد اهتماما منه بها ولا أكثر حرصا منه على اقتنائها، وخصل له منها ما لم يحصل لأحد، وكان مقيما بحلب، وذلك أنه نشأ بمصر وأخذ من كل على بنصيب."<sup>3</sup>

وقال ابن شاعر: جمع من الكتب مالا يوصف، وقصد بها من الآفاق، وكان لا يحب من الدنيا سواها، ولم تكن له دار ولا زوجة، وأوصى بكتبه للناصر، صاحب حلب، وكانت تساوي خمسين ألف دينار.<sup>4</sup>

كان القفطي عالما بارعا قد تبحر في عدة فنون، وكتب فيها وأجاد كالنحو واللغة مثلا فكتب كتابا قيمة في بابها منها كتاب الضاد والظاء، وكتاب المجلى في استيعاب وجوه كلا، وكتاب الإصلاح لما وقع من الخلل في كتاب "الصاح" للجوهري ولذا ذكره السيوطي في النحاة اللغويين في كتابه "بغية الوعاة" ولكن الفن الذي برع فيه أكثر واستوعب جوانبه، وعرف به واشتهر باسمه هو التاريخ، فكان مؤرخا وخبير بالتاريخ الإسلامي إلى جانب خبرته بتاريخ العلوم والفنون ومن كتب فيها فترك خلفه آثارا كثيرة قد تناول فيها التاريخ للملوك والأمصار مثلا: كتاب تاريخ مصر إلى ملك صلاح الدين، وكتاب تاريخ اليمن، وكتاب تاريخ سبكتكين، وكتاب أخبار السلجوقية، وكتاب الإيناس في آل مرداس، وكتاب تاريخ مغرب، وكتاب الدر الثمين في أخبار المتمين كما تناول تاريخ العلماء والأدباء والشعراء والمصنفين منها: كتاب أخبار النحويين، وكتاب أخبار المصنفين وما صنّفوه، والكتاب المحمدون من الشعراء.

#### وصف مخطوطة المؤلف:

تقع هذه المخطوطة بالمكتبة الأصفية في حيدرآباد الدكن في الهند ورقمها 85 تراجم، وتقع في 135 صفحة ورقة، الورقة الأولى مضافة إليها وليست بخط المؤلف، والبقية جميعها بخطه، وهو خط جميل يشكل أكثر الكلمات وقد تدفعه السرعة في الكتابة إلى عدم التشكيل والإعجام أيضا، فتبدو قراءة الكلمات صعبة لمن لم يتعد قراءتها، والدليل على أنها بخط المؤلف سماعات وبلاغات في عدد من الصفحات تختم بكلمة: كتبه جامع علي بن يوسف. ومن أمثلة ذلك ما جاء في الصفحة الأخيرة، وهذا نصه: (بلغ الشيخ الأديب الفصيح أيده الله إلى هذا الموضوع قراءة وأنا أسمع، وسمع بقراءته الولد بدر الدين محمد بن الشيخ زين الدين أبي الفضل الدمشقي الأصل الحلبي الدار والمولد، كتبه علي بن يوسف بن إبراهيم جامع حامدا لله) وتلك السماعات تماثل خط النسخة في كثير من مواضعها، وخاصة عندما لا يتأق الكاتب في كتابته.<sup>5</sup>

#### وصف الكتاب وأهميته:

قد تعدد أسماء الكتاب، والمخطوطة التي تم العثور في دائرة المعارف العثمانية لم تكن تحمل هذا الاسم للكتاب، بل كان المذكور على غلافه

والكتاب "المحمدون من الشعراء وأشعارهم" مجموع يشتمل على ٣٢٨ ترجمة مرتبة حسب الترتيب الهجائي، يبدأ باسم محمد بن أحمد الرقي، وينتهي باسم محمد بن سعيد البغدادي، وقد اهتم القفطي بالشعراء الذين عاشوا في الجاهلية وفي صدر الإسلام حتى أوائل القرن السابع الهجري يتحدث عن شعر وأدب وتاريخ وسير وأمثال وحكم.

<sup>5</sup> القفطي، جمال الدين علي بن يوسف: المحمدون من الشعراء وأشعارهم، ص: 16.

تتجلى أهمية الكتاب في أنه يجلو الغبار عن كثير من الشعر العربي وشعرائها الذي عاشوا خلف ستار الذهول، الخمول رغم جودة أدبهم، ورونقه وبهائه كما تتجلى قيمته في كثرة مصادره التي أصبح معظمها في عداد الكتب المفقودة مثل كتاب "الوشاح" للبيهقي، و"زينة الدهر" لأبي المعالي الخطيري، و"ديوان الإسلام" لابن المرستانية، والأترجة لمسلم بن محمد الحجي، و"أشعار الندماء" للمتيم الأفريقي، و"تاريخ ابن شبران" والحدائق لابن فرج الجياني، و"الدرة الخطيرة في أهل الجزيرة" لابن القطاع الصقلي، و"طبقات الشعراء" لابن عبد الرحيم، و"عقود الجواهر" لابن الهيصم.

### منهج المؤلف فيه:

أما منهج المؤلف في الكتاب فهو يمتاز بمنهج عجيب ودقيق اهتم المؤلف بذكر تراجم الشعراء الذين سماوا ب محمد بغض النظر عن زمان الشاعر ومكانه و أهمية شعره ومكانته رتبه حسب الترتيب الهجائي للأباء فمثلا الشاعر الذي اسم أبيه أحمد تكون ترجمته في الصدارة من القائمة والشاعر الذي يبدأ اسم أبيه ب الياء تكون ترجمته في الأخير من القائمة ولكن المؤلف لم يتمكن من إنهاء عمله وقد وافته المنية قبل اكماله فيبدأ الكتاب باسم محمد بن أحمد الرقي وينتهي باسم محمد بن سعيد البغدادي، وأيضا تختلف تراجم الكتاب في طولها وقصرها فبينما اكتفى في بعض التراجم بذكر بيتين أو ثلاث أبيات أطال في بعضها فتستغرق في تراجمها عدة صفحات كما فعل في ترجمة ابن شبل البغدادي فخصه بعشرين صفحة.

وأحيانا وردت في الكتاب تراجم مكررة مثل: ترجمة محمد بن إبراهيم بن عمر القفصي ومحمد بن الحسن البصري الصوفي أبي يعلى، ومحمد بن سلطان المغربي، ومحمد بن سليمان الحناط (الخياط).

### خصائصه وميزاته:

هذا الكتاب يختص بتراجم الشعراء الذين سماوا ب "محمد"، ويبحث فيه المؤلف عن اشعار العرب وشعرائهم وبقاعهم ومساكنهم ومراحلهم، وما يتعلق بشأنهم بدوا وحضرا، واسرا وقبائل، وملوكا وأمراء، معدودا أسمائهم، باحثا عن أحوالهم وطرق معاشهم وتاريخ حوادثهم. ويشتمل على جميع موضوعات الشعر العربي من الحماسة والمديح والرثاء والإخوانيات والغزل والخمريات والوصف وغيرها. والحق أن هذا الكتاب من أنفس الكتب التي ألفت في الشعر العربي، فصار منبع العلم والأدب والحكمة وموسوعة شعرية نادرة ممتازة.

### طبعه:

إن نشر هذا الكتاب الأدبي ظل مجهولا حتى نهاية القرن الثامن عشر الميلادي ثم قامت دائرة المعارف العثمانية بطبعه سنة 1375هـ باعتناء الدكتور عبد الستار خان المتوفى سنة 1433 هـ وأنه حصل عليه شهادة الدكتوراة تحت إشراف محمد عبد المعيد خان بالجامعة العثمانية حيدرآباد الهند. وأعيد طبعه سنة 1387هـ، ثم طبع بجامعة باريس كلية الآداب والعلوم الإنسانية باسم المحمدون من الشعراء وأشعارهم حققه وقدم له ووضع فهارسه الدكتور حسن معمري وراجعته وعارضه بنسخة المؤلف الدكتور حمد الجاسر سنة 1390هـ الموافق سنة 1970م.

### Abstract:

**Background:** The comprehension level and critical thinking of students are affected by their Social, economic and cultural background. In Indian scenario, it is evident that affluent class People prefer private schools over government schools and hence, the students studying in Private schools have a privilege of comprehending technology based educational modes. However, the role of technology based education has not been known among socially and economically advantaged students. **Aim:** This study explores the effect of audio-video material based education on comprehension of socially marginalized children of Tamil Nadu. **Methodology:** This study was conducted as a focus group analysis where two government Schools were randomly selected from Chennai city and 30 students present in eighth grade Were included in the study. Three focus groups were created namely: Audio only group (n=10), audio-video group (n=10) and lecture group (n=10). A science chapter was randomly selected from eight standard science textbook and a trained teacher taught students about the chapter in the above three different modes of communication. The comprehension level, reasoning and critical thinking of the students were assessed after the class. **Results:** The level of comprehension was low among students present in lecture group and High among students present in audio-video group and this was found to be statistically Significant (p-value<0.001)

### Introduction :

The educational environment is a dynamic interconnectedness of various factors, including social, economic and cultural contexts of students that affect their understanding and critical thinking.<sup>1</sup> Among them, comprehension level and critical thinking is of utmost importance as it shapes the intelligence of a student.

The comprehension level and critical thinking of students are affected by their social, economic and cultural background. In Indian scenario, it is evident that affluent class people prefer private schools over government schools and hence, the students studying in private schools have a privilege of comprehending technology based educational modes. However, the role of technology-based education has not been known among socially and economically advantaged students. Hence, we decided to conduct this study on socially disadvantaged students. This study explores the effect of audio-video material-based education on comprehension of socially marginalized children of Tamil Nadu

### Methodology:

This study was conducted as an exploratory study with the aim of comparing audio-video based mode of education and lecture mode of education. This study was framed as a focus group analysis where classes were taken to group of students to initiate comparison.

**Sampling methodology:** Two government schools were randomly selected from Chennai city and 30 students present in eighth grade were included in the study. The need and purpose of the study was explained to school authorities. After obtaining permission, the study was started.

**Eligibility criteria:** The Tamil-medium students who are of eighth grade and who can understand Tamil were included in the study as classes were taken in Tamil. The students who are physically challenged were excluded.

**Data Collection:** Two focus groups were created namely: audio-video group (n=15) and lecture group (n=15). A science chapter was randomly selected from eight standard science textbook and a trained teacher taught students about the chapter in the above two different modes of communication. The trained teacher taught about 'Respiration' in both audio-video method and lecture method. The comprehension level, reasoning and critical thinking of the students were assessed after the class. The comprehension level of students was assessed by administration of test questionnaires from the topic taught. The critical thinking of students was assessed by administration of another questionnaire on the topic which reasons critical thinking of students.

**Statistical analyses:** The data obtained was entered in Microsoft Excel Spreadsheet and was subjected to statistical analysis. All analyses were carried out using Statistical Package for Social Sciences (version 24, IBM, Chicago, USA). Continuous variables were expressed as mean  $\pm$  standard deviation (SD). Categorical variables were expressed as frequency and percentage. The data was subjected to normality test using Shapiro Wilk test. As data followed normal distribution, parametric tests of significance were used for comparison. Independent sample t-test was used to compare comprehension level of students between two focus groups.

### Results:

Table 1 shows Intergroup comparison of comprehension level and critical thinking between students present in two focus groups. The level of comprehension was low among students present in lecture group and high among students present in audio-video group and this was found to be statistically significant (p-value<0.001)

**Table 1 Intergroup comparison of comprehension level and critical thinking between students present in two focus groups.**

	Lecture method (n=15)	Audio-video method (n=15)	p-value
Comprehension level	4.3+2.1	7.9+2.4	<0.001*
Critical thinking	2.7+0.7	4.1+0.9	<0.001*

Independent sample t-test

\*p-value<0.05- statistically significant

### Discussion:

This study was an exploratory study mainly focusing the effectiveness of audio-video based education among socially disadvantaged students.

There has been many studies assessing the effectiveness of audio-video based education methods among school students. Rasul et al., proved the improved comprehension after using audio-video materials. The study conducted by Badalova et al., also showed similar results. However, this is one of the first studies to be conducted among socially disadvantaged students.

The impact of socioeconomic and cultural factors on students' understanding and critical thinking is a complex and wide-ranging issue. In the Indian context, there is a significant difference in the choice of affluent class individuals in favor of private schools over government schools. This desire not only shapes the educational environment but contributes significantly to students' access to technology-based instructional strategies.

In India, private schools, often seen as bastions of quality education, attract students from privileged backgrounds. These institutions have good infrastructure, well-qualified teachers and access to modern educational technology. As a result, students attending private schools have a distinct advantage in understanding and adapting to technology-based educational approaches. The integration of digital tools and online resources in private schools provides these students with a learning environment that is in sync with today's educational trends.

In contrast, students from disadvantaged socioeconomic backgrounds tend to attend public schools, which may lack the facilities and facilities available in private institutions. The digital divide exacerbates the challenges faced by these students, and it limits their exposure to technology-driven educational methods. As a result, their logic and critical thinking abilities may not develop as rapidly as their more privileged counterparts.

However, it is important to note that even among socioeconomically well-off students, the role of technology in education is not well understood or accepted. While they may have the latest equipment and tools, they are effective.

Integrating technology into the curriculum requires not only access but also a broader understanding of its potential. In some cases, affluent students still rely on traditional methods of instruction, ignoring the transformative power of technology to improve critical thinking.

To address this gap, it is important for education policymakers and institutions to ensure equitable access to technology across schools, bridge the digital gap and provide training and support for teachers and students to access it a thorough understanding of the role of technology in education. By doing so, we can empower students from all socioeconomic backgrounds to break down the barriers to persistent educational inequality and use technology to improve understanding and critical thinking.

### **Limitations:**

Lack of generalisability of results is the major limitation of the study. This study was exploratory in nature and sample size was not calculated which adds on to the other limitation of the study.

### **Recommendations**

Based on research findings, it is recommended that targeted instructional interventions be used to bridge technology-related learning gaps among socioeconomically disadvantaged students. Schools should prioritize equitable use of technology resources, ensuring that all students have access to essential digital literacy skills. In addition, teacher training programs should emphasize effective integration of technology in the classroom to enhance understanding and critical thinking among student populations. These recommendations aim to create educational environments that are inclusive and make good use of technology.

### **Conclusion:**

Audio video-based education has enhanced the comprehension level of the subject among socially disadvantaged children. Hence, it can be used as an effective tool in school education. However, future research are needed to generalise these results to a wider population.

**Key Words:** Ecocriticism, Nectar in a Sieve, Socio-ecological Injustices, Kamala Markandaya.

### INTRODUCTION :

In Kamala Markandaya's *Nectar in a Sieve* novel explores the intricate connection between humans and the environment. Rukmani and her husband, Nathan, confront the ever-changing natural landscape. The exploration of agrarian life, industrialization, and characters adaptability to the unforeseen offers valuable insights. Markandaya's portrayal of the agricultural milieu serves as a lens through which the ecological impact of traditional practices and the forces of modernization examined. The novel showcases the resilience of individuals in the face of natural disasters, droughts, and floods. This resilience becomes a focal point for ecocritical analysis, shedding light on how the characters' struggles for survival epitomize human resilience in the face of ecological adversity. The *Nectar in a Sieve* employs nature as a powerful symbol imbued with meaning. The river, the changing seasons, and the agricultural cycle are not mere backdrops but integral elements of the narrative, each carrying ecological significance that invites interpretation. As the characters navigate a rapidly industrialized world, the novel prompts an exploration of modernity's environmental impacts. Markandaya's examination of the clash between traditional ecological wisdom and modern approaches offers fertile ground for analyzing the repercussions of such choices on both human societies and the environment. This ecocritical investigation seeks to unveil the novel's multifaceted ecological themes and illuminate the complex relationship between humans and the environment. The novel probes the characters ecological choices

and dilemmas, providing a window into Kamala Markandaya's environmental perspectives and the intricate connections between humans and nature. In *Nectar in a Sieve* Kamala Markandaya weaves a compelling narrative that unfolds within the dynamic tapestry of rural India, a canvas undergoing profound environmental transformations. The novel serves as an intricate exploration of the delicate and often symbiotic relationship between the characters and the natural world that envelops them. Through Markandaya's narrative lens, readers are prompted to examine the characters evolving connections with their changing environment, from the cultivation of the land to the encroachment of modernity. The text skillfully navigates themes of nature's symbolism, prompting reflection on how the environment functions as more than mere backdrop, but as a participant in the characters' lives. Markandaya's depiction offers a nuanced exploration of the intricate dynamics between humanity and the environment, making *Nectar in a Sieve* a fertile ground for ecocritical analysis, where the relationship between societal changes and the natural world serves as a rich terrain for understanding the complex interdependence of human and environmental narratives (Argyle, 1973; Zeleny, 1997; Kumar, 2001; Singh, 2004; Bos, 2016; Sharnappa, 2016; Devi, 2018; Biswas, 2022).

**ECOCRITICAL POINTS IN KAMALA MARKANDAYA'S *NECTAR IN A SIEVE*** (Wani, 2019; Sharma, 2021; Kumar, 2001; Mount, 2011; Markandaya, 2009).

**Interdependent connection with the environment:** In *Nectar in a Sieve* Rukmani and Nathan establish a profound symbiotic relationship with the rural landscape, their lives intricately intertwined with the cycles of planting and harvesting. Kamala Markandaya delicately portrays the characters' deep dependence on the land for sustenance, capturing the essence of their agricultural existence. Rukmani and Nathan's daily rhythms reflect a harmonious coexistence with nature, emphasizing the reciprocity between their work and the earth. Their intimate connection with the rural landscape becomes a poignant testament to the essential symbiosis between humanity and the natural world.

**Environmental impacts of industrialisation and environmental challenges:** In *Nectar in a Sieve* industrialization emerges as a transformative force with far-reaching consequences for the natural environment. Kamala Markandaya illustrates how the encroachment of modernity reshapes the rural landscape, disrupting time-honoured agricultural practices and upsetting the delicate ecological balance. Traditional methods yield to mechanization, leading to soil degradation and loss of biodiversity. The narrative powerfully captures the ecological toll of industrialization, highlighting the profound shifts in the relationship between humanity and the environment.

**Symbolic significance of nature and comparison of traditional ecological wisdom and modern approaches:** In *Nectar in a Sieve* nature assumes a symbolic significance, enriching the narrative with deeper ecological meanings. The river, representing the flow of life and inevitable change, becomes a powerful symbol of both sustenance and unpredictability. Changing seasons mirror the cyclical nature of life, reflecting themes of renewal and impermanence. The agricultural cycle, intricately woven into the characters' lives, serves as a metaphor for the symbiotic relationship between humanity and the land. Kamala Markandaya employs these elements not merely as backdrops but as vital symbols, contributing to the novel's nuanced exploration of ecological themes and emphasizing the intricate connections between nature and human existence. *Nectar in a Sieve* meticulously examines the clash between traditional ecological wisdom and the embrace of modern approaches, particularly in agriculture. As characters grapple with the allure of progress, the narrative offers a nuanced exploration of the environmental costs incurred through the abandonment of sustainable traditions, shedding light on the complex interplay between cultural heritage, ecological balance, and the pressures of modernization.

**Environmental consequences of agricultural methods and connection between humans and nature:** In *Nectar in a Sieve* the novel delves into the depiction of agricultural practices, unveiling their profound impact on the environment. Kamala Markandaya intricately explores the consequences of transitioning from traditional farming methods to more modern, industrialized approaches. The narrative subtly addresses issues of soil degradation and loss of biodiversity, illustrating the ecological toll of mechanized and chemical-dependent farming. Through the characters' experiences, the novel

serves as a poignant commentary on the ecological challenges associated with shifts in agricultural practices, prompting reflection on the delicate balance between agricultural livelihoods and environmental sustainability. In *Nectar in a Sieve* characters forge profound connections with nature, providing a lens through which to explore ecocritical themes. Rukmani and Nathan, deeply embedded in rural life, express an intimate connection with the land, finding solace and meaning in the cycles of planting and harvesting. Moments where characters derive spiritual nourishment from the natural world contribute to the novel's ecocritical tapestry, emphasizing the symbiotic relationship between humanity and the environment. These connections underscore the characters dependence on and reverence for nature, offering insights into Kamala Markandaya's portrayal of the intricate balance between human existence and the natural world.

**Environmental ethics and moral quandaries and environmental change narrative:** In *Nectar in a Sieve* the characters, notably Rukmani and Nathan, showcase remarkable resilience when faced with environmental challenges like natural disasters, droughts, and floods. Kamala Markandaya portrays their responses as reflections of broader themes of human resilience in the face of ecological adversity. Their ability to endure and adapt becomes emblematic of the indomitable spirit of humanity when confronted with the unpredictable forces of nature, providing a powerful commentary on the strength and perseverance required to navigate the ecological hardships inherent in their agrarian lives. In *Nectar in a Sieve* characters grapple with ethical dilemmas tied to the environment, illuminating broader environmental ethics. As the encroachment of industrialization disrupts traditional agrarian life, characters face decisions that weigh immediate survival against long-term ecological consequences. Kamala Markandaya's novel subtly critiques shortsighted environmental practices, urging contemplation on the ethical imperative of preserving the natural world for future generations. *Nectar in a Sieve* dynamically traces the evolving environmental landscape over time, mirroring the profound societal shifts within rural India. Kamala Markandaya masterfully captures discernible transformations in the natural surroundings, be it through the encroachment of industrialization, alterations in agricultural practices, or the unpredictability of weather patterns. These environmental changes become symbiotic with the characters' lives, influencing their livelihoods, and challenging their resilience. The shifting landscape serves as both backdrop and catalyst, intricately woven into the societal dynamics of the narrative, symbolizing the inseparable interdependence between human existence and the evolving environment.

**Ecological contemplations on modernity:** *Nectar in a Sieve* investigates the environmental effects of rapid modernization. Kamala Markandaya's story shows industrialization's environmental impact, including pollution and ecosystem upheaval. The novel raises concerns about the long-term effects of switching from traditional, environmentally sound agriculture to mechanized, chemical-dependent methods on soil health and biodiversity. The displacement of rural communities and the conflict between economic development and environmental conservation are also key themes, prompting readers to consider the fragile balance between progress and nature. The novel uses a subtle narrative to explore the delicate relationship between human growth and rural landscapes' environmental integrity. *Nectar in a Sieve* examining the characters symbiotic relationship with the rural landscape, the impact of industrialization, and the clash between traditional and modern agricultural practices, readers gain insights into the intricate dynamics between humanity and the environment. The symbolic role of nature, the characters' resilience in the face of ecological challenges, and ethical dilemmas contribute to a multifaceted exploration. Through these ecocritical lenses, the novel's perspectives on the complex relationship between humans and the environment come to light, inviting readers to contemplate the novel's stance on environmental issues and the delicate balance required for sustainable coexistence.

## CONCLUSION:

Markandaya's work, through the lens of ecocriticism, unveils a profound exploration of the intricate connections between humanity and the environment, urging readers to contemplate the delicate balance between progress and the preservation of the natural world. The impact of industrialization to the clash between traditional wisdom and modern approaches in agriculture, the narrative investigates the

ecological themes. Nature, symbolized by elements like the river and changing seasons, adds layers of meaning. As characters face environmental challenges, the story becomes a testament to human resilience in the face of ecological adversity. *Nectar in a Sieve* prompts reflection on broader environmental ethics and the responsible stewardship of the land.

પ્રસ્તાવના:-

અર્થ અને ગૌરવથી ભરપૂર આ અઢાર સર્ગોનું કાવ્ય ભારવિની અનોખી અને અભૂતપૂર્વ કૃતિ છે. મહાભારતના વનપર્વમાં અર્જુને શિવ પાસેથી પાશુપાતશસ્ત્ર પ્રાપ્ત કર્યાનું વર્ણન અહીં કથાનો મૂળ સ્ત્રોત છે. આ કાવ્ય શ્રી શબ્દથી શરૂ થાય છે અને લક્ષ્મી શબ્દ પર સમાપ્ત થાય છે. એ રીતે આ મહાકાવ્ય “લક્ષ્મીપદાંક” છે. ભારવિએ અર્થ અને રૂપકોથી ભરપૂર વાક્યો સાથે આ કાવ્ય રચી છે. ‘આતપત્ર ભારવિ’ ના બિરુદથી ભારવિને નવાજ્યા છે. આ કાવ્યમાં સુયોધાનના શાસન, પાનખર, જળ રમતો, સૂર્ય અને ચંદ્રનો ઉદય, કિરાત વેશમાં શિવ સાથે અર્જુનનું યુદ્ધ, અર્જુને શિવ પાસેથી પાશુપાતનું શસ્ત્ર પ્રાપ્ત કરવું વગેરેની વાર્તા સુંદર રીતે વર્ણવી છે. મલ્લિનાથે ભારવિની કવિતા વિશે કહ્યું;

**નારિકેલફલસંમિતં વચો ભારવે: ।**

કિરાતાર્જુનીયમ મહાકાવ્યમાં શૈક્ષણિક, સામાજિક, નૈતિક, મનોવિજ્ઞાન અને ધાર્મિક જેવા અનેક વિષયો છે. અહીં માત્ર સામાજિક તત્વોનો અભ્યાસ કરવામાં આવે છે.

કિરાતાર્જુનીયમ મહાકાવ્યનો વિષય હંમેશા મનુષ્યમાં નમ્રતા, સત્ય પ્રત્યેની વફાદારી, ઉદારતા અને શ્રેષ્ઠ નાયક વગેરે જેવા ગુણોનો વિકાસાવવાનું શીખવે છે. ભારવિનું શબ્દપ્રભુત્વ અને ભાષાપ્રભુત્વ અદ્ભૂત હોવાને કારણે તે ભાવને અનુરૂપ ભાષા પ્રયોજે છે. તેના પરિણામે માનવજીવનના ચિરંજીવ મુલ્યો સંક્ષિપ્તતા સાથે અસરકારક રીતે રજૂ થયા છે. તેના આધારે એવું માનવામાં આવે છે કે ભારવિના કિરાતાર્જુનીયમ અનુસાર સામાજિક શિક્ષણનો એક મુખ્ય ઉદ્દેશ્ય મનુષ્યમાં સદ્ગુણોનો વિકાસ છે. તેમાંથી કેટલાક મુખ્ય ગુણો દયા અને દક્ષિણા, સેવાભાવના, વિનમ્રતા, સારો સંચાર, પ્રયાસ, સજ્જન, યોગ્ય સમયે કામ કરવું વગેરે.

મુખ્ય શબ્દો :- દયા અને દક્ષિણા, સેવાભાવના, વિનમ્રતા, સારો સંચાર, પ્રયાસ, સજ્જન, યોગ્ય સમયે

કામ કરવું

દયા અને દક્ષિણા:-

દયા અને ઉદારતા માટે સમાજમાં ખ્યાતિ મેળવે છે. લોકો સમાજમાં રહે છે પરંતુ દરેક વ્યક્તિ દાન આપતા નથી અને દયા કરતા નથી. જે લોકો દયા અને દાન કરે છે તેમનામાં વિશ્વાસ બતાવે છે કે તેઓ પણ તેમની તરફેણમાં ઉભા રહેશે. આ મહાકાવ્યમાં મહાન કવિ ભારવિએ પ્રથમ શ્લોકમાં દુર્યોધનનું વર્તન બતાવ્યું છે.

**“તથાહપિ જિહ્વા: સ ભવજિગીષયા તનોતિ શુભ્રં ગુણસમ્પદા યશ: ।”**

અર્થાત, દાન અને સદ્ગુણોથી વંચિત દુર્યોધન શ્વેત પ્રસિદ્ધિ લાવે છે. અને યુધિષ્ઠિરની ગેરહાજરીમાં પ્રજા નિરાશ ન થાય તે યાદ કરીને તે લોકો પ્રત્યે દયા અને ભિક્ષા દર્શાવે છે.

**“અનાયુધે સત્વજિઘાંસિતે મુનો કૃપેતિ વૃત્તિર્મહતામકૃત્રિમા ।  
શરાસનં બિભ્રતિ સજ્યસાયકં કૃતાનુકમ્પ: સ કથં પ્રતીયતે ॥”**

જો કોઈ શસ્ત્ર વિના કોઈ પ્રાણી દ્વારા કોઈ તપસ્વીને મારવા ઈચ્છે તો તેના પર દયા કરવી જોઈએ. આ મહાન વ્યક્તિનું લક્ષણ છે. દરેક વ્યક્તિ જાણે છે કે જેઓ લાચાર છે તેમના પર દયા કરવી જોઈએ.

સેવાભાવના :-

તે આપણા સેવાના જીવનને અર્થપૂર્ણ બનાવે છે. નારાયણ શર્મા દ્વારા હિતોપદેશમાં એક કહેવત છે.

**“પૃષ્ઠત: સેવયેદકં જઠરેણ હુતાશનમ્ ।  
સ્વામિન: સર્વભાવેન પરલોકમમયયા ॥”**

અર્થાત્ સૂર્યનું સેવન પડદા પાછળ કરવું જોઈએ, પેટ દ્વારા અગ્નિનું સેવન, તેણે પોતાના પતિની દરેક રીતે અને ઈમાનદારીથી પરલોક માટે સેવા કરવી જોઈએ. નિ:સ્વાર્થતા અને ઈમાનદારીથી લોકોની સેવા કરવી જોઈએ. આ મહાકાવ્યમાં દુર્યોધન અભિમાન દુર કરે છે અને વિશ્વને તેના સેવકો પ્રેમથી ભરેલા મિત્રો તરીકે દર્શાવે છે. મિત્રોને જોકે સંબંધીઓ તરીકે દર્શાવવામાં આવે છે પરંતુ સંબંધીઓ પોતાને માલિક તરીકે દર્શાવે છે. તે બધા માટે યોગ્ય અનુષ્ઠાન કરે છે.

**“અસક્તમારાધાયતો યથાયથં વિભજ્ય ભક્ત્યા સમપક્ષપાતયા ।  
ગુણાનુરાગાદિવ સચ્ચમીયિવાત્ર બાધતેડસ્ય ત્રિગણ: પરસ્પરમ્ ॥”**

સદાચાર, સંપત્તિ અને ઈચ્છાઓના યજમાન એકબીજામાં દખલ કરતા નથી જાણે કે તેઓને દુર્યોધનના સદ્ગુણોના પ્રેમ દ્વારા મિત્રતા મળી હોય જે યોગ્ય રીતે સમાન ચિત્તવાળા, ધર્મ, સંપત્તિ અને ઈચ્છાઓની સેવા કરે છે. એટલે કે જ્યારે તે ધર્મનું પાલન કરે છે ત્યારે ધનની ઈચ્છા તેના મનને વિચલિત કરતી નથી. ધન સંચય વખતે સદાચારની ઈચ્છાઓ પચતી નથી. આમ વાસનાના સમયમાં ધર્મના હેતુઓ આડે આવતા નથી. આનાથી કામ પૂર્ણ થવામાં આવતા કોઈપણ અવરોધથી બચી જશે. તેથી દુર્યોધન કોઈના માટે પક્ષપાત ન કર્યો. આથી પ્રજાને રાજાઓ સાથે આસક્તિ થઈ ગઈ છે.

**“ચિચીષતાં જન્મવતામલધ્વી યશોઢવતંસામુભયત્ર ભૂતિમ્ ।  
અભ્યર્હિતા બન્ધુષુ તુલ્યરૂપા વૃત્તિર્વિશેષેણ તપોધનાનામ્ ॥”**

આ શ્લોક એમ પણ કહે છે કે જે આ લોકમાં અને પરલોકમાં મહાન છે જેઓ ખ્યાતિનું ચમકતું બેનર મેળવવા માંગે છે. તેઓએ તેમના સંબંધીઓ સાથે નિષ્પક્ષતાથી વર્તવું જોઈએ કારણ કે પક્ષપાતનું કામ ક્યારે થતું નથી અને પક્ષપાત અપમાન ફેલાવે છે. સંન્યાસીઓની વાર્તાઓ એમ કહે છે કે તે નિયમથી સર્વત્ર સમાન દ્રષ્ટિ હોવી જોઈએ નહીં તો યોગીના લક્ષણોમાં ઘટાડો થશે.

વિનમ્રતા:-

દરેક વ્યક્તિમાં નમ્રતા હોવી જોઈએ. વન નમ્રતા સજ્જનોનો પરિચય કરાવે છે. તે કિરાતાર્જુનીયમ મહાકાવ્યમાં વન રેન્જરના વર્તન પરથી જોઈ શકાય છે.

**“કૃતપ્રણામસ્ય મહીં મહીભુજે જિતાં સપત્નેન નિવેદયિષ્યતઃ ।  
ન વિવ્યથે તસ્ય મનો નહિ પ્રિયંપ્રત્કુમિચ્છન્તિ મૃષા હિતૈષિણઃ ॥”**

આ મહાકાવ્યમાં વનવાસી યુધિષ્ઠિરને નમન કરે છે અને તેને દુર્યોધન દ્વારા બનાવેલા રાજ્યના શાસનનો નિયમ જણાવવા જઈ રહ્યો છે. તે વખાણ કરતાં પણ વધારે છે કારણ કે તેણે ભગવાનને જોયા છે. પરંતુ જ્યારે તે વિચારે છે કે તે કેવી રીતે જાણ કરી શકે છે ત્યારે તેનું મન ધ્રુજતું નથી. તેના માલિક પર દુશ્મનનો વિજય થયો છે કેમ કે તે તેના નોકરના માલિક માટે શ્રેષ્ઠ ઈચ્છે છે. સત્ય બોલવું એ પરમ ધર્મ છે. આમ તેના દ્વારા નમ્રતાનો પરિચય ઉપલબ્ધ છે.

**“નિસર્ગદુર્બોધમબોધવિક્લવાઃ વ્ક ભૂપતીનાં ચરિતં વ્ક જન્તવઃ ।  
તવાનુભાવોડયમવેદિ યન્મયા નિગુઢતત્વં નયવર્ત્મ વિવ્દિષામ્ ॥”**

આ શ્લોકમાં જંગલનો રાજા કહે છે કે રાજાઓનું પાત્ર સમજદાર માણસ પણ સમજી શકે છે. હું મુર્ખ છું, હું બરાબર કેવી રીતે જાણી શકું ? જો કે મને જે જાણવા મળ્યું છે તે તમારા સંગતનો મહિમા છે. આ એજ શ્લોક છે જે જંગલના રાજાના વર્ણનમાં નમ્રતાનો પરિચય આપે છે.

**“ભવન્તિ નમ્રાસ્તરવઃ ફ્લોદ્ગમે નવામ્બુભિર્ભૂમિલમ્બિનો ઘનાઃ ।  
અનુધ્વતાઃ સત્પુરુષાઃ સમૃદ્ધિભિઃ સ્વભાયઃ એવિષ પરોપકારિણામ્ ॥”**

જ્યારે સજ્જન પોતાની સંપત્તિનો ઉપયોગ બીજાને મદદ કરવા માટે કરે છે ત્યારે તે સંપત્તિથી વધુ નમ્ર બને છે. સજ્જનો કેવાં નમ્ર છે તે દર્શાવવા કવિ વૃક્ષ અને વાદળનું ઉદાહરણ આપે છે. વૃક્ષ ઉપર ફળ બેસતા તે નીચે નમે છે અર્થાત નમ્ર બને છે તેવી જ રીતે વાદળો પણ નવા જળ ભરીને નીચે આવે છે અર્થાત જળ વરસાવે છે. આમ, અહીં વાદળ, વૃક્ષ અને સજ્જન વ્યક્તિ આ ત્રણેયમાં આપણને નમ્રતાના ગુણ જોવા મળે છે.

સારો સંચાર:-

આપણે એક સમાજમાં રહીએ છીએ એકબીજા વચ્ચે સુમેળ છે. જો એકબીજા વચ્ચેનું જોડાણ બરાબર ન હોય તો કંઈક સિદ્ધ કરવું તે ન હોઈ શકે. તેથી એકબીજા વચ્ચે સુસંગતતા સંપાદિત કરવી. મહાન કવિ ભારવિ આ મહાકાવ્યમાં કહે છે કે રાજા અને મંત્રી બંને વચ્ચે હંમેશા સુમેળ હોવો જોઈએ.

**“સ કિંસખા સાધુ ન શાસ્તિ યોડધિપં હિતાન્ન યઃ સંશ્રુણુતે સ કિંપ્રભુઃ ।  
સદાનુકૂલેષુ હિ કુર્વતે રતિં નૃપેષ્વમાપેત્યેષુ ચ સર્વસમ્પદઃ ॥”**

જે સલાહ સાંભળે છે અને સ્વીકારે છે તે યોગ્ય સ્વામી છે. જ્યારે જે આ રીતે સારા શબ્દો બોલે છે તે માતા અને અન્ય માટે યોગ્ય છે. તેથી એકબીજામાં અનુકૂલનક્ષમતા હોવી જોઈએ અને આ કાર્યની સિદ્ધિ તરફ દોરી જાય છે. રાજ્યની સંપત્તિ પણ સદગુણોથી બંધાયેલી હોવાથી બીજે ક્યાંય જઈ શકતી નથી. જો કોઈ વ્યક્તિ સમાજમાં એકબીજા સાથે આટલો જોડાયેલો હોય તો વ્યક્તિ તમામ પ્રયત્નોમાં સમૃદ્ધિ પ્રાપ્ત કરે છે.

પ્રયાસ:-

દુષ્ટતાના પ્રતિકારને ટેકો આપવો એ સ્વ-પુરુષત્વ છે. પોતાની શક્તિને સિદ્ધ કરવી અને જો કોઈ મૌન રહે તો કંઈપણ સિદ્ધ થતું નથી.

“उधमेन हि सिद्ध्यन्ति कार्याणि न मनोरथैः ।  
न हि सुप्तस्य सिंहस्य प्रविशन्ति मुखे मृगाः ॥”

એટલે કે સાહસ, પ્રયાસ અને જો કોઈ ધ્યેય હાસલ કરવો હોય તો વ્યક્તિ પોતાના પ્રયત્નો કરવા જોઈએ. જો તમે મૌન છો એટલે કે જો તમે પહેલ નહીં કરો તો કાર્ય પૂર્ણ કરી શકશો નહીં.

કિરાતાજુનીયમ મહાકાવ્યમાં ભારવિ કહે છે કે જે વિચારે છે તે જ આગળ છે. અને તેમનું કાર્ય કરે છે. તેમની પાસે પ્રગતિ આપોઆપ થાય છે.

“रत्नैर्महाहैस्तुतुषुर्न देवा न भेजिरे भीमविषेण भीतिम् ।  
सुधां विना न प्रययुर्विरामं न निश्चितार्थाद्विरमन्ति धीराः ॥”

અહિ કવિએ ધ્યેય પ્રાપ્તિ સુધી મંડ્યા રહેવાની વાત કરી છે. કાર્યસિદ્ધિને ઈચ્છનાર વ્યક્તિને કવિ સલાહ આપે છે કે જ્યાં સુધી કાર્ય પાર ન પડે ત્યાં સુધી અટકવાનું નથી. ધ્યેય માર્ગમાં લોભામણી વસ્તુ પ્રાપ્ત થાય કે ડરામણી સ્થિતિ આવે તો પણ અટકવાનું નથી. જે અટકતો નથી તે જ કાર્ય સિદ્ધિ કરી શકે છે. આ વાતને કવિ સમુદ્રમંથનના પ્રસંગ દ્વારા સમજાવે છે. દેવોનું ધ્યેય અમૃત મેળવવાનું હતું તેથી સમુદ્રમંથન સમયે દેવોને ચૌદ રત્નો પ્રાપ્ત થયા છતાં પણ તેનાથી સંતોષ પામીને અટકી ગયા નહીં. તેમજ હળાહળ ઝેર નીકળ્યું તો ભયભીત થઈને અટક્યા નહીં અને અંતે પોતાનું નક્કી કરેલું ધ્યેય-અમૃત પ્રાપ્ત કરીને જ રહ્યા. વિવેકાનંદ પણ “ધ્યેય પ્રાપ્તિ સુધી મંડ્યા રહો” નો ઉપદેશ આપ્યો છે.

સજ્જન:-

મહાન કવિ ભારવિના મહાકાવ્ય કિરાતાજુનીયમના પ્રથમ શ્લોકમાં લક્ષમણ વિષે કહેવામાં આવ્યું છે કે તે એક સજ્જન વ્યક્તિ છે.

“अवन्ध्यकोपस्य विहन्तुरापदां भवन्ति वश्याः स्वयमेव देहिनः ।  
अमर्षशून्येन जनस्य जन्तुना न जातहोर्दन न विव्दिषादरः ॥”

અર્થાત જે યોગ્ય સમયે ગુસ્સે થાય છે અને જ્યારે તેનો ક્રોધ ઉત્તેજિત થાય છે તે પ્રમાણે યોગ્ય છે. જ્યારે તે ફળનું નિર્દેશન પણ કરે છે અને દરેકને આધીન છે ત્યારે તેનો ગુસ્સો નિષ્ફળ જાય છે. તેનાથી કોઈ ડરતું નથી અને તેનાથી કોઈને ફાયદો થતો નથી. તેથી અર્જુન માટે કહેવામાં આવે છે કે તમે પણ શસ્ત્રો ખેંચવામાં ક્રોધને સફળ કરો. જેના દ્વારા દુશ્મનો આપોઆપ ભીષ્મ પાસે જશે. આમ દુશ્મનોની હાર છે. તેથી સજ્જન વ્યક્તિની વિશેષતા એ છે કે કામ યોગ્ય સમયે કરવું અને બીજું કંઈ નહીં. ક્રોધ અને અધીરાઈ વગરના લોકોનું સમાજમાં સન્માન થતું નથી. એટલે આપણે યોગ્ય સમયે ગુસ્સો બતાવવો જોઈએ અને યોગ્ય સમયે માફ કરી દેવો જોઈએ. સમાજમાં અલગ-અલગ લોકો રહે છે પણ દરેક વ્યક્તિ સારા હોવા જરૂરી નથી. જે લોકો શ્રેષ્ઠ કાર્યો કરે છે તે શ્રેષ્ઠ છે. મહાન કવિ ભારવિની કિરાતાજુનીયમ કાવ્યના ત્રીજા શ્લોકમાં કહેવાયું છે કે જે બળ અને પુરુષાર્થ પ્રાપ્ત કરે છે તે બધા મનુષ્યો દ્વારા અનુવાદિત થાય છે અને તેને તેના કાર્યો દ્વારા અર્થપૂર્ણ બનાવે છે અથવા તેને સફળ બનાવે છે. મનુષ્યોના અધિકારોમાં યોગ્ય ગણવાની દરખાસ્તમાં તે વિશ્વના લોકો દ્વારા પ્રથમ ગણાય છે અને અનન્ય બની જાય છે. તે શ્રેષ્ઠ નાયક છે.

“स पुमानर्थवज्जन्मा यस्य नाम्नि पुरःस्थते ।  
नान्यामङ्गुलिमभ्येति संख्यायामुधताङ्गुलिः ॥”

જે માણસ ગણતરીને લાયક પ્રથમ હથેળીનો છે તે બીજા સાથે શ્રેષ્ઠ નાયક નથી. એટલે કે જે માણસને વિશ્વમાં પુરુષોની ગણતરી માટે પ્રથમ યાદ કરવામાં આવે છે. તેનું જીવન સમાજમાં સાર્થક છે. અર્જુન

આ મહાકાવ્યમાં શ્રેષ્ઠ નાયક છે અને તેમની ધર્મ પ્રત્યેની નિષ્ઠા છે. ભાઈ રાજાની આજ્ઞાનું પાલન, શિક્ષકની આજ્ઞાનું પાલન અને સદવર્તન જેવા ગુણોની વિપુલતા અજોડ છે. આવા માણસો સમાજમાં જોવા મળતા નથી. જો તેમના ગુણો માત્ર અનુકરણ કરે છે તો તેઓ પણ આદરણીય છે. તેઓ એટલા સારા હોવા જોઈએ.

**“ગ્રહસમાનમિવૌજાસિ સદસા ગૌરવેરિતમ્ ।  
નામ યસ્યાભિનન્દન્તિ વ્દિષોઽપિ સ પુમાન્પુમાન્ ॥”**

જેનું નામ કથાના પ્રસંગોએ સભામાં ઉચ્ચારવામાં આવે છે તેથી તે એક શ્રેષ્ઠ માણસ તરીકે ગણવામાં આવે છે. સમાજમાં એક ઉદાહરણ સ્વામી વિવેકાનંદનું છે. જેમનું સામાજિક યોગદાન ઘણું છે. તેમની પાસે સાદું પાલન, દાન, સત્યતા, ઉદારતા, ધર્મનિષ્ઠા જેવા અનેક ગુણો છે તેથી આ એક મહાન વ્યક્તિનું ઉદાહરણ છે. આ પ્રથમ ઉદાહરણ છે જે ધ્યાનમાં આવે છે.

યોગ્ય સમયે કામ કરવું:-

**“વ્રજન્તિ તે મૂઢધિયઃ પરાભવં ભવન્તિ માયાવિષુ યે ન માયિનઃ ।  
પ્રવિશ્ય હિ ગ્નન્તિ શઠાસ્તથાવિધાનસંવૃતસંવૃતાઙ્ગાન્નિશિતા ઇવેષવઃ ॥”**

કિરાતાજુર્ણનીયમ મહાકાવ્યના પ્રથમ શ્લોકમાં ધ્રૌપદીએ વનરાજના મોઢેથી તેના શત્રુઓનું ઈચ્છિત પરિણામ સાંભળીને તેના પતિને કહ્યું એટલે કે તે શબ્દો તેના ગુસ્સાને ઉત્તેજિત કાર્યો તેણીએ યુધિષ્ઠિરની સામે સમાન શબ્દ બોલ્યા. આનો અર્થ એ છે કે જે લોકો છેતરપીંડી કરતા હોય ત્યારે પણ છેતરાતા નથી. તેઓ હંમેશા સરળતા દર્શાવે છે અને ટૂંક સમયમાં નાશ પામે છે. જેમ તિક્ષણ તીર વડે કપટી યોદ્ધાઓ દ્વારા અનાવૃત્ત શરીર વાળા વીરોની હત્યા કરવામાં આવે છે. તેથી જાદુના રણમાં જાદુગરો હોવા જોઈએ નહિતર મૃત્યુની શંકા છે. તેથી ભગવાન કહે છે કે જેઓ મારે પૂજા કરે છે તેવી જ રીતે તેઓ પણ મારી પૂજા કરી છે.

**“સમવૃત્તરુપૈતિ માર્દવં સમયે યશ્ચ તનોતિ તિગ્મતામ્ ।  
અધિતિષ્ઠતિ લોકમોજસા સ વિવસ્વાનિવ મેદિનીપતિ ॥”**

એક રાજા જે હંમેશા મૈત્રીપૂર્ણ અથવા હંમેશા ક્રોધિત હોય છે તે લોકોને વશ અથવા રક્ષણ કરી શકતો નથી. તેથી સારા સદ્ગુણો સાથે નમ્રતાથી વર્તે છે અને દુષ્ટો સાથે તીક્ષણતા અને ઉગ્રતા દર્શાવે છે. તે રાજા પ્રજા પર શાસન કરવા સક્ષમ છે. જેમ ઉનાળામાં સૂર્ય એક પ્રબળ કિરણ છે તેમ તે સારી રીતે સહન કરી શકાય તેવું છે. આ સમાજમાં કોઈ મહાન વ્યક્તિએ પણ દુષ્ટો સાથે તીક્ષણ બનવું જોઈએ અને સારા સાથે મિત્રતા સ્થાપિત કરવી જોઈએ.

સતાવણી:-

કિરાતાજુર્ણનીયમ મહાકાવ્યના અગિયારમાં શ્લોકમાં મહાન કવિ ભારવિને કહેવાયું છે.

**“યુક્તઃ પ્રમાધસિ હિતાદપેદઃ પરિતપ્યસે ।  
યદિ નેષ્ટાત્મનઃ પીડા મા સઙ્ગિ ભવતા જને ॥”**

અર્થાત કે જે વાક્યમાં ઈચ્છિત વસ્તુની પ્રાપ્તિ થાય છે તેમ મનમાં આંનદ ઉત્પન્ન થાય છે અને મનમાં દુઃખની અનુભૂતિ થાય છે. સુખ અને દુઃખ પૈડાંની હરોળ જેવા છે. તે હંમેશા ઈચ્છિત પ્રાપ્તિ હોતા નથી. પણ જો દુઃખ હોય તો એનો અર્થ એ છે કે એ દુઃખથી બીજાને દુઃખ ન થવું જોઈએ.

કહેવતનો શ્લોક કહે છે કે “અન્યનું ભલું કરીને પુણ્ય અને પાપ માટે અન્ય પર જુલમ કરવો” આનો અર્થ એ છે કે જો કોઈ લોકોનું સારું કરે છે તો તે પુણ્ય છે અને જો કોઈ લોકોને દુઃખ પહોંચાડે છે તો તે પાપ છે. તેથી પીડા આપવી જોઈએ નહીં.

### ઉપસંહાર:-

સમાજમાં રહેતા લોકો એકબીજા પર આધારિત હોય છે. અન્યની મદદ પણ જરૂરી છે. જો તેમ ના થાય તો સમાજમાં એકતા નથી. આનાથી સમાજમાં ઉન્નતિ થતી નથી. સમાજમાં અધોગતિ આવે તો માણસ અને રાષ્ટ્રનું પતન અનિવાર્ય છે. તેથી એક સારા સમાજના નિર્માણમાં તેમનો ફાળો અસ્વીકાર્ય છે.

હાલના સમાજ પર નજર કરીએ તો લોકોમાં એકતા નથી અને તેઓ શિક્ષકોમાં વિશ્વાસ દર્શાવતા નથી. જો કે આ ક્યારેય કરવું ન જોઈએ. શાસ્ત્રો વાંચવા જ જોઈએ. આ આપણને સમાજમાં કેવી રીતે વર્તવું, વડીલો માટે આદર કેવી રીતે બતાવવો અને ગુરુની આજ્ઞાઓનું પાલન કરવું તે શીખવે છે. આ રીતે આવ ગુણોનો વિકાસ થાય છે. અને વધુ સારા સમાજની રચના થાય છે

**Abstract:** "Tybat al-Gharraa fi Madhi Sayyidil Ambiya" is a poem in praise of the Prophet (May Almighty's peace and blessings be upon him) composed by Imam Yusuf bin Ismail al-Nabhani who was a very renowned scholar, writer and poet from Palestine lived in the second half of 19th century and beginning of the 20th century. He served in Beirut Lebanon as Chief Justice. His life was dedicated to academic pursuits, and left behind a staggering collection of works in Tafsir, Hadith, Islamic law, Theology, Tasawwuf and -most notably- poetry and prose in praise of prophet Muhammad, (May Almighty's peace and blessings be upon him).

This poem is extremely significant for academics and researchers studying Arabic literature. It is among the most wonderful poems. It's also one of the longest poems written in the Arabic which contains more than thousand verses praising the Prophet and presenting the Prophet's biography in very detailed manner. In this paper the researcher has tried to highlight the themes of one of his famous poems that is Tybat al-Gharraa fi Madhi Sayyidil Ambiya. In this poem Nabhani has presented the personality of Prophet Muhammed with all his attributes and teachings. This Poem opens up new perspectives in this regard. Besides its originality, one other virtue of this poem is its obvious embeddedness in the Arab Sunni Muslim context of the time of poet, making frequent reference to the various issues that were and still are important for human values.

إن قصيدة "طيبة الغراء في مدح خير الأنبياء" من أشهر آثار النبهاني الشعرية، وهي من أطول القصائد التي قرضت في الشعر العربي عبر العصور، فقد تجاوزت أبياتها عن ألف بيت، ولذا اشتهرت بـ

"الهمزية الألفية"، عارض بها النبهاني همزية البوصيري<sup>(6)</sup> 'أم القرى في مدح خير الورى'، وهي لا تقل فصاحة وجودة عن بردته الشهيرة، ومطلعها:

كيف ترقى رقيق الأنبياء يا سماء ما طولتها سماء  
لم يساووك في علاك وقد حال سنئى منك دونهم وسناء<sup>(7)</sup>

وعارضها النبهاني بهذه القصيدة، ووزعها على عناوين عدة منتزعة من حياة الرسول -ﷺ- وسيرته، من ميلاده حتى وفاته، وجعل فصلها الأخير في التوسل به -ﷺ-، وجعل لها خاتمة اعتذر فيها عن تقصيره في مدح الرسول -ﷺ-، لأن صفاته -ﷺ- لا يدرك حقيقتها إلا الله تبارك وتعالى، ولا شك أن هذه القصيدة تدل على تمكّن الشاعر من ناصية اللغة، والبراعة في القريض ونظم الشعر. وإن هذه القصيدة تعدّ ملحمة شعرية لحياة النبي -ﷺ-، تتناول شمائله الشريفة، وخصائله الخلقية، والخلقية، وسيرته العطرة، ومكارمه العليا، وغير ذلك من المضامين التي تتعلق بشخصية الرسول -ﷺ-، وذكر الأستاذ عيسى محمد علي منصور ماضي أن الأستاذ خير الدين الزركلي لما اطلع على هذه القصيدة، أشاد بها وأطرى مقدره النبهاني الشعرية قائلاً:

"هذه القصيدة سدّت نقصاً في شعر الملاحم في الأدب العربي، وهي تعتبر ملحمة إسلامية."<sup>(8)</sup>  
وصدّرها الإمام النبهاني بالتنبية التالي:

"يقول ناظمها قد وازنتُ بهمزيتي هذه همزية الإمام البوصيري "أم القرى في مدح خير الورى" عالماً أنّ الفضل للمتقدم، وأنه بمنزلة المعلم وأنا بمنزلة المتعلم، وإن كانت هذه قد حوت أضعاف ما حوته تلك من السيرة النبوية والفضائل المحمدية، وامتازت عنها بحسن التقسيم والترتيب حتى صارت بفضل الله فريدةً في بابها، لا نظير لها فيما أعلم بين أترابها، حريةً بتدريسها وحفظها والاعتناء بشرح معناها ولفظها لمن يهّمه مدح رسول الله صلى الله عليه وسلم، ومعرفة سيرته وفضائله، ومعجزاته وشمائله، لأنها أقوى أسباب محبته وقوة الإيمان به صلى الله عليه وسلم."<sup>(9)</sup>

صفحاتها مائة وطبعت القصيدة بكاملها في المطبعة الأدبية، بيروت عام 1314 الهجري، وعدد وأربع صفحات، والقصيدة مثبتة في الديوان.<sup>(10)</sup>

وافتح القصيدة بمقدمة طويلة بلغت مائة وسبعة عشر بيتاً، ضمّنها وجده ومشاعره وحبّه وحنينه وشوقه لزيارة الرسول -ﷺ- وبلده المبارك؛ شاكياً البعد بينهما، ويقول في مطلعها [من الخفيف]:

نورُك الكُلُّ وَالوَرَى أجزاء نبيّاً مِنْ جُنْدِهِ الأنبياء يا

عَلَّةَ الْكُونِ كُنْتَ أَنْتَ وَلَوْلَا كَ لَدَامَتْ فِي غَيْبِهَا الْأَشْيَاءُ (11)  
مُنْتَهَى الْفَضْلِ فِي الْعَوَالِمِ جَمْعًا فَوْقَهُ مِنْ كَمَالِكَ الْإِبْتِدَاءِ  
مُجْدًا لَمْ تَزَلْ فَوْقَ كُلِّ فَوْقٍ بِالْتَرَقِّي مَا لِلْتَرَقِّي انْتِهَاءُ  
جُزْتَ قَدْرًا فَمَا أَمَامَكَ خَلْقٌ فَوْقَكَ اللَّهُ وَالْبَرَايَا وَرَاءُ  
خَيْرَ أَرْضٍ ثَوِيَّتَ فَهَيَّ سَمَاءُ بِكَ طَالَتْ مَا طَوَّلَتْهَا سَمَاءُ (12)  
يَا رَعَى اللَّهُ طَيِّبَةً مِنْ رِيَاضٍ طَابَ فِيهَا الْهَوَى وَطَابَ الْهَوَاءُ (13)  
شَاقِنِي فِي رُبُوعِهَا خَيْرُ حَيٍّ حَلَّ لَا زَيْنَبُ وَلَا أَسْمَاءُ (14)  
وَعَدْتَنِي نَفْسِي الدُّنُو وَلَكِنْ أَيْنَ مِنِّي وَأَيْنَ مِنْهَا الْوَفَاءُ  
غَادَرْتَهَا الدُّنُوبُ عَرَجَاءَ وَالْقَفْ رُ بَعِيدٌ مَا تَصْنَعُ الْعَرَجَاءُ (15)  
وَبِحَارٍ مَا بَيْنَنَا وَقِفَارٍ ثُمَّ صَحْرَاءَ بَعْدَهَا صَحْرَاءُ  
فَمَتَى أَقْطَعُ الْبِحَارَ بِفُكِّ ذِي بُخَارٍ كَأَنَّهُ هُوَجَاءُ (16)

وهكذا يستمر في إظهار شوقه وحنينه إلى بلد الحبيب -ﷺ-، وجعلها بمثابة السبب الذي من بابه دخل للحديث عن سيرة النبي -ﷺ-، إذ لم يتمكن من الذهاب مع الراحلين إلى المدينة المنورة، ونظرا إلى تقصيره يرى أنه ليس بأهل لمقابلة الرسول -ﷺ-، حيث يقول:

لَسْتُ أَهْلًا لِيُوصِلَهُمْ فَظَلَمِي هَجْرُونِي وَلَسْتُ أَنْكِرُ أَنِّي  
حَائِلٌ أَنْ يَحُلَّ مِنْهُمْ ضِيَاءُ لَمْ أَزَلْ مُذْنِبًا وَكُلِّي خَطَاءُ  
غَيْرَ أَنِّي التَّجَاتُ قَدَمًا إِلَيْهِمْ وَعَزِيرٌ عَلَى الْكِرَامِ التَّجَاءُ  
وَرَجَوْتُ النَّوَالَ مِنْهُمْ وَظَنِّي بَلْ يَقِينِي أَنْ لَا يَخِيبَ الرَّجَاءُ  
إِنْ أَكُنْ مُذْنِبًا فَهُمْ أَهْلُ عَفْوٍ وَعَلَى الْكُونِ إِنْ رَضُونِي الْعَفَاءُ (17)  
أَوْ أَكُنْ أَكْدَرَ الْمُحِبِّينَ قَلْبًا فَلِمِثْلِي مِنْهُمْ يَكُونُ الصَّفَاءُ  
لَيْتَ شِعْرِي كَيْفَ الْوُصُولُ إِلَى طَيْبِ بَةِ وَهِيَ الْحَبِيبَةُ الْعَدْرَاءُ

ويسلم على مدينة الحبيب -ﷺ- وجبالها وأوديتها، فيقول:  
حَيِّ يَا بَرَقَ بِالْجَازِ غَرِيباً مَنْ نَدَاهُمْ لِكُلِّ رُوحِ غِذَاءِ

وهكذا يتواصل في مثل هذه التساؤلات طامعاً في كرم الحبيب، ويتحدث عن كرمه -ﷺ- ويقدم دلائل نبوته، وينظم أحواله في الصغر، ويذكر موت أبويه الكريمين -ﷺ- وإحيائهما وإيمانهما به -ﷺ-، وينظم أحداث السيرة النبوية، ويتكلم عن هجرته وغزواته -ﷺ-، ويبين معجزاته وشمائله -ﷺ- الشريفة وغيرها من الموضوعات المتعلقة بشخصية الرسول -ﷺ-، ويقدم لنا صورة رائعة لأحداث السيرة مملوءة بالحب والحنين والشوق.

ثم انتقل إلى الحديث عن مولده -ﷺ-، فنظم الأحداث المتعلقة بمولده -ﷺ- والمعجزات التي ظهرت عند مولده -ﷺ- الشريف، وقدم الدلائل على نبوته -ﷺ-، وبدأ الحديث قائلاً:

هُوَ نَوْرُ الْأَنْوَارِ أَصْلُ الْبِرَايَا حِينَ لَا أَدَمَ وَلَا حَوَاءَ  
هُوَ فَرْدٌ بِاللَّهِ وَالْكَلِّ مِنْهُ لَيْسَ ثَانٍ هُنَا وَلَيْسَ ثِنَاءٌ  
لَمْ يَزَلْ سَارِيًّا إِلَى أَنْ تَجَلَّتْ شَمْسُ أَنْوَارِهِ وَفَاضَ الضِّيَاءُ  
وَهَبَ اللَّهُ بِنْتَ وَهَبٍ بِهِ كَلَّ لَ هِنَاءٍ وَزَالَ عَنْهَا الْعِنَاءُ  
كَمْ رَأَتْ آيَةً لَهُ وَهِيَ حُبْلَى وَبِمَوْلَى كَلَّ الْوَرَى نَفْسَاءُ  
جَاءَهَا الطَّلُقُ وَهِيَ فِي الدَّارِ مِنْ دُونِ أَنْ يَسِيسَ وَقَدْ نَأَى الْأَقْرَبَاءُ  
فَأَتَتْهَا قَوَابِلٌ مِنْ جَنَّاتِ الْخَلْدِ مِنْهَا الْعِذْرَاءُ وَالْحَوْرَاءُ  
وَتَدَلَّتْ زَهْرُ النُّجُومِ إِلَيْهَا كَالْمَصَابِيحِ ضَاءَ مِنْهَا الْفَضَاءُ  
حَمَلَتْهُ هَوْنًا وَقَدْ وَضَعَتْهُ أَنْظَفَ النَّاسِ مَا بِهِ أَقْدَاءُ  
وَأَدَّتُهُ كَالشَّمْسِ أَشْرَقَ مَسْرُورًا وَتَمَّتْ بِخَتْنِهِ السَّرَّاءُ  
أَبْصَرَتْ نورهَ أَنْارَ بِبُصْرَى فَرَأَتْهَا كَأَنَّهَا الْبَطْحَاءُ<sup>(21)</sup>

ثم تناول رضاعة النبي -ﷺ-، وقال:

جَاءَ كَالدَّرَةِ الْيَتِيمَةِ فَرْدًا تَيَّمَّ الْكُونَ حَسَنُهُ الْوَضَاءُ  
فَأَبْتُهُ كُلَّ الْمَرَضِعِ لِلْيَتِيمِ وَقَدْ ذَلَّ فِي الْوَرَى الْيَتِيمَاءُ  
أَرْضَعْتَهُ فَتَاءُ سَعِدٍ فَفَازَتْ بِرَضِيعٍ مَا مِثْلَهُ رُضْعَاءُ  
أَرْضَعْتَهُ وَالْعَيْشُ أَغْبَرَ فَاخْضَرَ رَ وَبَسَّ الْمَعِيشَةَ الْغِبْرَاءُ<sup>(22)</sup>

وهكذا يتواصل الحديث عن الأحداث التي حدثت في طفولته الشريفة -ﷺ-، ويذكر الأوضاع الاجتماعية والأحوال الدينية عند بعثته -ﷺ-، ويصف القرآن الكريم ومعجزات النبي -ﷺ- ويمدح الصحابة

والسابقين الأولين منهم خاصة، ويذكر عداوة قريش للنبي -ﷺ- وأصحابه، ويذكر أهم وقائع السيرة النبوية من دخول النبي -ﷺ- في شعب أبي طالب، ووفاته عمه الكريم أبي طالب ومناقبه ومحاسنه، ووفاته أم المؤمنين خديجة الكبرى -رضي الله تعالى عنها- وسرد فضائلها ومحاسنها، ويصف خروج النبي -ﷺ- إلى الطائف ويذكر حاله وموقفه -ﷺ- فيها قائلاً:

لَوْ رَأَيْتَ النَّبِيَّ مِنْ بَعْدُ فِي الطَّائِفِ  
وَسَمِعْتَ التَّخْيِيرَ فِيهِمْ مِنَ اللَّهِ

كَانَ يَلْقَى عَنْهُ الْحَجَارَةَ زَيْدًا  
إِنَّ رُوحِي لَنَعْلٍ زَيْدٍ فِدَاءً (23)

ثم تناول التوحيد وسرد الدلائل العقلية والنقلية على وحدة الله تعالى، وانتقل إلى ذكر الإسراء والمعراج، وذكر بيعة الرضوان، وهجرة النبي -ﷺ- ووصوله إلى المدينة المنورة، ومدح أصحاب النبي -ﷺ-، وتناول المغازي وأهم الوقائع التي حدثت أثناء إقامة النبي -ﷺ- في المدينة المنورة حتى وفاته -ﷺ-، بدءاً من غزوة بدر الكبرى مروراً بغزوة أحد، وغزوة المريسيع، وغزوة الأحزاب، وعمرة الحديبية، وعمرة القضاء، وغزواته -ﷺ- مع اليهود، وفتح مكة، وغزوة حنين، وغزوة الطائف، وغزوة تبوك، والغزوات التي لم يحارب النبي -ﷺ-، وذكر مراسلاته -ﷺ- إلى الملوك ووفود رؤساء القبائل العربية إليه -ﷺ-، وحجة الوداع وخطبته فيها، ووفاته -ﷺ-.

ثم انتقل إلى مدح النبي -ﷺ-، وتناول فضائله ومعجزاته -ﷺ-، وتناول شمائله الشريفة في فصل مستقل من القصيدة قائلاً:

أَجْمَلُ الْعَالَمِينَ خَلْقًا وَخُلُقًا مَا لَهُ فِي جَمَالِهِ نَظْرَاءُ  
جَاوَزَ الْحَدَّ بِالْجَمَالِ فَلَا طَرَافَ مُحِيطٌ بِهِ وَلَا إِطْرَاءُ

ثم يتوسل إلى النبي -ﷺ- بأحبابه -ﷺ-، ومدحهم، وجعل لها خاتمة في اثنين وستين بيتا، وصف فيها القصيدة، واستغاث بالنبي-ﷺ-، واعتذر من تقصيره في مدحه -ﷺ- قائلاً:

سَيِّدَ الْعَالَمِينَ يَا بَحْرَ جُودٍ قَطْرَةٌ مِنْ سَخَائِهِ الْأَسْخِيَاءُ

ولا شك أن هذه القصيدة من أروع ما جادت به قريحة النبھاني، فقد تحدّث فيها عن السيرة النبوية شعراً في ألف بيت من وزن وقافية واحدة، ولا شك أنها إبداع وبراعة، وتظهر فيها روعة اللغة والعلوم التي اكتنزاها، حتى استطاع أن يُبدي شيئاً من معرفته وعلومه من خلال هذه القصيدة، وكذلك حسن ترتيب السيرة والأحداث المهمة التي حدثت في حياته -ﷺ-.

ومما ينبغي ملاحظته أن الشاعر في هذه القصيدة لم يحاول إحاطة جوانب السيرة النبوية فحسب؛ بل اعتنى بها عناية بالغة، فقد أخذ سنتين كاملتين منذ أن بدأ نظمها حتى طبعها، وخلال تلك المدّة اشتغل بتهديبها وتنقيحها، وبذل جهداً كبيراً في تحسينها، فأجاد في نظمها، وتقديمها للقراء<sup>(30)</sup>، حتى جاء بقصيدة شيقة رشيقة بعيدة عن الغرابة، كما يراها القارئ المنصف، ويشهد لها الذوق السليم، واهتمّ بتفسير الكلمات والمفردات، فقام بشرحها شرحاً لغوياً، كما أشار إلى المحاسن البديعية، وكتب للشرح مقدمة يقول فيها:

"أما بعد فهذه حاشية مختصرة بيّنت فيها ما لا بدّ منه في همزيتي هذه معتمداً في حلّ غريبها على النهاية ولسان العرب والقاموس والمصباح والمختار، ونبّهت من أنواع البديع على جميع ما جاء

فيها من التورية لشرفها وكونها أعلى أنواع التحسين، واشتمالها منها على ما لم يشتمل عليه عدّة دواوين. (31)

إن هذه القصيدة تعجّ بمعالم السيرة النبوية العطرة، فقد تناول فيها الشاعر معظم جوانب السيرة النبوية، ويجد فيها الفارئ كل ما يتعلق بجناب النبي-ﷺ- من مدحه، وأخباره، وذكر دياره، وآثاره، -ﷺ- ومعراجه، وغزواته، وسيرته، وشمائله، وفضائله، والثناء على آل بيته، وأزواجه، وأصحابه، وأمتة

ويرى النبهاني أن الثناء على نبينا محمد -ﷺ- بما هو أهل له ليس في قدرة أحد من الخلق أبداً على بما هو أهل له، فإنه تعالى طول المدى، وإنما الله الواحد القديم الذي خلقه، هو الذي يقدر على مدحه -ﷺ- هذا وَإِنَّكَ لَعَلَىٰ خُلُقٍ عَظِيمٍ(32)، فبعد: عليم به، وقد أنزل مدحه عليه في محكم التنزيل، فمن ذلك قوله تعالى بن الخطيب المتوفى 776هـ/1374م: الدين لسان القصور، كما قال بنهاية إلا الاعتراف المادحين حظ ليس

مَدَحْتِكَ آيَاتِ الْكِتَابِ فَمَا عَسَىٰ يَثْنِي عَلَىٰ غُلْيَاكَ نَظْمٌ مَدِيحِي  
وَإِذَا كِتَابُ اللَّهِ أَثْنَىٰ مُفْصِحًا كَانَ الْقُصُورُ قُصَارَ كُلِّ فَصِيحٍ

فمدح المادحين النبي -ﷺ- قديماً وحديثاً ليس إلا توسلاً بجنابه، أو تقرباً إليه، أو تفريجاً لكرههم ومصابهم، أو رغبة في جزيل الثواب، أو استشفاعاً به -ﷺ-، أو استلذاً بذكر أوصافه -ﷺ- الشريفة، فإن ذكره -ﷺ- كما قال الشاعر:

أَعِدْ ذِكْرَ نُعْمَانٍ لَنَا إِنَّ ذِكْرَهُ هُوَ الْمِسْكُ مَا كَرَّرْتَهُ يَتَضَوُّعٌ

وبين أن الله تعالى هو وحده المطلع على الحقيقة المحمدية، وما وهبها من مواهب الفضل والكمال، فلا يصل خير إلى أحد من الخلق إلا بواسطته -ﷺ-، لذلك تكون المبالغات في المدح وهي مهما بلغت؛ قاصرة عن الوصول إلى ما يستحقه -ﷺ-، وقد جاء في الحديث: "لا تُطْرُونِي كما أُطْرِبَ النَّصَارَىٰ عِيسَىٰ بَنَ مَرْيَمَ؛ فَإِنَّمَا أَنَا عَبْدُ اللَّهِ وَرَسُولُهُ"(33)، فقوله -ﷺ- هذا يتضمن الإذن لنا بأن نمدحه بجميع أنواع المدح سوى هذا الوصف الذي نهانا عنه، ويرى أن الإمام البوصيري استنبط من هذا الحديث عندما قال في قصيدته الشهيرة 'البردة':

دَعُ مَا ادَّعَتْهُ النَّصَارَىٰ فِي نَبِيِّهِمْ وَاحْكُمْ بِمَا شِئْتَ مَدْحًا فِيهِ وَاحْكُمْ  
فَإِنَّ فَضْلَ رَسُولِ اللَّهِ لَيْسَ لَهُ حَدٌّ فَيُغْرَبُ عَنْهُ نَاطِقٌ بِقَمٍ

وأكد النبهاني أن جميع مدائح النبي -ﷺ- عبارة عن حكاية أحوال ووصف أقوال وأفعال وإخبار عن حقائق ثابتة وموجودة؛ لا كما يتخيله الشعراء من المعاني في شعر المديح عامة، ولذلك يتحتم على من يريد مدح النبي -ﷺ-؛ أن يقف على أخباره وسيره ومعجزاته وفضائله -ﷺ- الواردة في الكتاب والسنة وعلى السنة الأولياء العارفين، فإن مجرد حكايتها مدحٌ بليغٌ، ثم نقل ما كتبه في مقدمة القصائد السبع التي جعلها خاتمة لكتابه 'أفضل الصلوات' (34).

ويرى الإمام النبهاني أن النبي -ﷺ- غني عن مدح المادحين على الإطلاق؛ بما مدحه الله في كتابه الكريم، ولقد كان شأن الكرام ورسول الله -ﷺ- سيدهم؛ أن تأخذهم أريحية الكرم عند مدح المادحين، فيجيزونهم بكرمهم، ويمنحونهم ما أملوه، لا لاحتياجهم إلى مدحهم؛ بل لكون ذلك شأنهم كما فعل سيدهم -ﷺ- حينما أنشده كعب بن زهير قصيدته بانته سعاد، فعفا عما ارتكبه في شأنه من الإجمام، وألقى عليه برده -ﷺ- الشريفة<sup>(35)</sup>، ويقول:

لَمْ تَزِدْ قَدْرَكَ الرَّفِيعَ سِوَى مَا زَادَ فِي الشَّمْسِ مِنْ سَنَاهَا الْبَهَاءِ  
هِيَ أَوْصَافُكَ الْجَمِيلَةَ إِنْ كَانَتْ قَصِيدًا أَوْ لَمْ تَكُنْ سِوَا  
أَنَا أَدْرِيكَ سَابِقَ الْمَدْحِ مَهْمَا بِالْعَتِّ فِي مَدْحِكَ الْبَلْغَاءِ

فِي ثَنَاءِ الْمُتَنِينَ نِعْمَاءَ لَكِنْ مِنْكَ كَانَتْ عَلَيْهِمُ النِّعْمَاءُ<sup>(36)</sup>

ويظهر عجزه بمدح النبي -ﷺ- ويقول إن أوصافه الشريفة -ﷺ- فوق الحصر، ولو ألف كتاب ضم في تعداد محاسنه فهو أيضا لا يستطيع حصرها:

لَمْ يُزَاحِمْ مَدَاخِكَ الْبَعْضَ بَعْضًا أَنْتَ بَحْرٌ وَالْمَادِحُونَ دَلَاءُ

ثم يبين سبب مدحه له -ﷺ- رغم عجزه عنه، أنه حرصه على ذلك حبه للنبي -ﷺ- وهو أكرم الناس  
فهو يبغى من كرمه -ﷺ- ويرتجى من رحمته ويبين احتياجه إلى جنابه -ﷺ- الشريف ويقول:

### 1. INTRODUCTION:

Chimamanda Ngozi Adichie, celebrated for her evocative storytelling and keen sociocultural observations, has become a luminary in the realm of contemporary literature. Through works like 'Purple Hibiscus,' 'Half of a Yellow Sun,' and 'Americanah,' Adichie has offered readers a lens into the complexities of Nigerian society and the diasporic experience. At the heart of her narratives lies an often overlooked yet omnipresent element — food. By delving into the culinary dimensions of Adichie's works, we seek to uncover how she employs food as a literary device, a cultural symbol, and a means of exploring themes such as identity, belonging, and cultural heritage. Food, beyond its physiological role as sustenance, carries profound cultural significance, serving as a conduit for transmitting traditions, shaping identities, and reflecting the intricacies of societal dynamics. In the realm of literature, few contemporary authors have harnessed the narrative potential of food as masterfully as Chimamanda Ngozi Adichie. Her compelling narratives not only tell stories but also invite readers to partake in a sensory journey through the culinary landscapes of Nigeria and the diaspora. This research paper endeavors to explore the nuanced role of food in Adichie's literary universe, aiming to unravel the layers of cultural meaning embedded within her depictions of gastronomy. This exploration is not merely a culinary escapade but an inquiry into the symbolism and significance attached to food within Adichie's storytelling. The culinary landscapes she paints are not just backgrounds but active

participants in the narratives, influencing character development, societal norms, and the negotiation of identities. As we embark on this literary gastronomic journey, we aim to decipher the flavors and aromas that Adichie skillfully uses to convey cultural nuances, traditions, and the evolving dynamics of Nigerian and diasporic cultures. Through a multidisciplinary approach encompassing literary analysis, cultural studies, and gastronomy, this research paper seeks to contribute to a deeper understanding of Adichie's literary prowess and the intricate interplay between food and culture in her narrative tapestry. Our examination of selected works will illuminate how Adichie's literary feast offers readers more than a taste of cuisine; it provides a rich exploration of cultural complexities, inviting us to savor the diverse flavors that shape her characters' lives and, by extension, our understanding of the world they inhabit.

## 2. LITERATURE REVIEW :

**J. Santhiya (2019)** analyses in his research paper entitled “**Food as a metaphor for colonial power in Chimamanda Ngozi Adichie’s Purple Hibiscus**” explains how colonization has fundamentally altered Nigerians' cuisine and eating customs. The cuisine and eating habits of the colonists become inextricably linked to their feeling of power and supremacy. The colonized give up the local cuisine that is unique to their bioregion in an attempt to resemble the colonizers, who are seen as being superior to them in every manner. At least they don't realize that the only food that can really feed their bodies is bioregional food. Purple Hibiscus demonstrates how dominance and control over the colonized are emphasized via the use of food as a tactic.

**Maryam Moein Kharazi (2020)** analyses in her research article entitled “**A Bourdieusian Study of Food and Socio-cultural Identity in Chimamanda Ngozi Adichie’s Purple Hibiscus**” investigates the connection between food and socio-cultural identity in Chimamanda Ngozi Adichie's Purple Hibiscus, focusing on Pierre Bourdieu's sociological notions outlined in his book, *Distinction* (1984). The food behaviors of social actors reflect their habitus and the kind and quantity of money at their disposal. Bourdieu contends in his research that the fundamental foundation of differentiation in the preferences of people across various social spheres lies in the contrast between the preferences for opulence and the preferences for essentiality. Adichie's portrayal of food and cookery in her work is seen as a means to illustrate the socioeconomic statuses, cultural identities, and unique preferences of the characters.

**Karin Rosenqvist (2023)** analyses in her research article entitled “**Subalternity and Insubordination: A Postcolonial Analysis of Chimamanda Ngozi Adichie’s Americanah**” portrays the young female protagonist's abrupt immersion into a life of marginalization upon her migration from Nigeria to the American East coast. Having been raised in Nigeria, her skin color has never been a matter of concern or worry for her. However, it becomes evident that in other places, her complexion elicits certain expectations and serves as a fertile ground for discrimination. The objective of this article is to examine the remaining traces and consequences of colonialism in both historical and contemporary contexts, as well as to analyze the portrayal of postcolonialism in Chimamanda Ngozi Adichie's book *Americanah*.

## 3. METHODOLOGY :

Applying postcolonial theory to Chimamanda Ngozi Adichie's novels adds a layered dimension to the negotiation of food and culture. Postcolonial theory emphasizes the impact of colonial history on cultural identities, power structures, and societal norms. In Adichie's works, the negotiation of food becomes a site where the legacy of colonialism is examined and contested, offering insights into the complexities of cultural dynamics.

### a) Cultural Hybridity and Culinary Transformation:

Postcolonial theory recognizes cultural hybridity as a consequence of colonial encounters. In Adichie's novels, characters often embody this hybridity in their culinary practices. The fusion of traditional and Western foods, cooking techniques, and dining rituals reflects the interplay of cultures, showcasing how colonial histories have influenced and transformed culinary traditions.

### b) Decolonizing the Palate:

The negotiation of food in Adichie's novels can be seen as a form of resistance and decolonization. Characters may consciously choose to embrace or reject certain culinary elements as a means of

asserting their agency and reclaiming their cultural identity. Food choices become a tool for characters to resist the imposition of Western norms and reclaim ownership of their cultural narratives.

**c) Colonial Legacies and Food Injustice:**

Postcolonial theory often addresses issues of power and injustice. In the context of Adichie's novels, the negotiation of food includes a critical examination of access to and control over food resources. Characters may face challenges related to food scarcity, unequal distribution, or the exploitation of local culinary traditions, exposing the ongoing impact of colonial legacies on socio-economic structures.

**d) Language, Identity, and Culinary Narratives:**

Postcolonial theorists emphasize the role of language in shaping cultural identity. In Adichie's works, the negotiation of food is intertwined with linguistic choices, both in dialogue and narrative descriptions. Language becomes a tool for characters to assert their cultural identity, emphasizing the importance of linguistic diversity in preserving and expressing culinary traditions.

**e) Diaspora and Culinary Displacement:**

Postcolonial perspectives on diaspora are relevant to Adichie's exploration of food and culture, particularly in novels like 'Americanah.' The negotiation of food in diasporic settings reflects the challenges of maintaining cultural continuity while adapting to a new environment. Culinary practices become a space where characters grapple with the complexities of identity in the diaspora.

**f) Postcolonial Feminism and Culinary Labor:**

Examining the negotiation of food through a postcolonial feminist lens brings attention to the gendered aspects of culinary labor. Characters, particularly women, may navigate expectations and challenges related to food preparation, highlighting the intersectionality of gender and postcolonial experiences in shaping culinary narratives.

In applying postcolonial theory to Adichie's novels, the negotiation of food emerges as a rich terrain for exploring the ongoing impacts of colonial histories on cultural practices, identities, and power dynamics. It becomes a lens through which readers can critically engage with the complexities of postcolonial realities in the characters' lives and the broader societal context.

**4. Food and culture As a Metaphor in select works of Adichie's Literary Landscape**

Chimamanda Ngozi Adichie's literary works serve as a compelling exploration of the intricate blend of food and culture. Through her adept storytelling, Adichie seamlessly integrates culinary elements into the narrative, transcending mere descriptions of meals to use food as a powerful metaphor for cultural identity, societal norms, and the complexities of the human experience. Adichie's use of food extends beyond its gustatory dimensions; it becomes a symbolic language that communicates cultural nuances. Specific dishes, ingredients, and culinary rituals act as metaphors, carrying layers of meaning that resonate with the broader themes of her works. For instance, the ritualistic preparation of certain meals may symbolize tradition and the passing down of cultural heritage. The communal act of sharing meals becomes a microcosm of societal structures in Adichie's narratives. Whether it's a family gathered around a dinner table or a community celebrating an event, these culinary moments mirror the intricate relationships, power dynamics, and social expectations within the larger cultural context. Food becomes a lens through which readers can observe and understand the intricacies of social structures. Adichie's characters often negotiate complex identity issues, and food becomes a vehicle through which this negotiation takes place. The choice of food, the rejection or adaptation of culinary traditions, and the act of preparing or sharing meals become poignant reflections of characters grappling with their cultural identity in the face of societal changes or personal transformations.

In works like 'Americanah,' Adichie explores the culinary aspects of diasporic experiences. Food becomes a tangible link to the homeland, a source of nostalgia, and a means of maintaining cultural connections in a new and unfamiliar context. The adaptation of traditional recipes to fit the diasporic reality becomes a metaphor for the broader process of cultural assimilation and preservation. Adichie's vivid descriptions of food engage the senses, creating a sensory world that immerses readers in the cultural landscapes of her stories. The aromas, textures, and flavors of the dishes described contribute to a rich and immersive reading experience, allowing the audience to not only visualize but almost taste the cultural tapestry woven into the narrative. The fusion of food and culture in Adichie's works goes

beyond the superficial portrayal of meals; it becomes a narrative tool, a cultural commentary, and a means of connecting readers to the deeper layers of her stories. Through the culinary elements in her narratives, Adichie invites readers to savor the complexities of culture, identity, and the human experience.

### **5. Negotiation of food and culture in select works of Adichie**

The negotiation of food and culture in novels, including those by Chimamanda Ngozi Adichie, is a captivating exploration of how characters navigate their identities, relationships, and societal expectations through culinary experiences. In Adichie's novels, this negotiation becomes a central theme, revealing the profound impact that food can have on cultural understanding and personal development. Characters in Adichie's novels often grapple with the preservation or adaptation of culinary traditions as they negotiate their cultural identities. The preparation and consumption of traditional dishes become rituals that connect individuals to their heritage, acting as a tangible link to the past amid changing cultural landscapes. The negotiation of food and culture extends across generations, highlighting the tensions and transformations within families. Younger characters may embrace or question traditional culinary practices, reflecting broader societal shifts and the evolving nature of cultural identity across different age groups. Meals and food preparation serve as dynamic settings for characters to engage in conversations about culture, tradition, and societal expectations. These culinary moments become platforms for characters to voice their opinions, question norms, and express their individuality within the context of their cultural backgrounds. The types of food characters choose to consume or reject often carry symbolic weight. Adichie uses these choices as literary devices to convey characters' beliefs, values, and internal conflicts. A character's relationship with food becomes a reflection of their negotiation with cultural expectations and personal aspirations. In the novel 'Americanah,' the negotiation of food and culture takes on a distinct dimension as characters navigate the challenges of migration and diaspora. Culinary adaptation becomes a poignant illustration of the ways in which individuals strive to maintain a connection to their cultural roots while embracing the opportunities and challenges of a new environment. Adichie's novels explore instances where characters from different cultural backgrounds come together, leading to a fusion of culinary practices. These moments of cultural exchange through food highlight the potential for connection and understanding, even in the face of cultural differences. The negotiation of food and culture in Adichie's novels offers readers a nuanced understanding of how characters navigate the complexities of their identities within the framework of cultural expectations. Through the lens of food, these novels become not only stories of personal growth but also insightful commentaries on the broader dynamics of culture and society.

### **6. Conclusion :**

"The fusion of traditional and Western culinary elements in Adichie's novels becomes emblematic of cultural hybridity, a concept central to postcolonial theory. Characters navigate the syncretism of cuisines, reflecting the enduring legacies of colonial encounters and the ongoing interplay between diverse cultural influences. The negotiation of food emerges not only as a personal choice but as a form of resistance and assertion of agency, challenging the impositions of Western norms and affirming the resilience of cultural identity. Decolonization, a key tenet of postcolonial theory, is palpable in the characters' conscious choices regarding food. Culinary practices become a battleground for reclaiming cultural narratives and challenging the hegemonic structures perpetuated by colonial legacies. The novels illuminate the ways in which characters negotiate their palates, making deliberate decisions to honor their heritage and resist cultural erasure. In conclusion, the exploration of the negotiation of food and culture in Chimamanda Ngozi Adichie's novels through the lens of postcolonial theory unveils a tapestry of complexities that mirror the enduring impacts of colonial histories on identities, power structures, and societal norms. Through the culinary narratives woven into her works, Adichie masterfully engages with the multifaceted dynamics of postcolonial experiences, offering readers a profound understanding of the intricacies of cultural negotiation. The exploration of language in conjunction with food adds another layer to the analysis, emphasizing the role of linguistic diversity in expressing and preserving culinary traditions. Language becomes a powerful tool for characters to

articulate their cultural identity, reinforcing the interconnectedness of linguistic and culinary narratives in the broader context of postcolonial experiences.

In the diasporic settings portrayed, particularly in 'Americanah,' the negotiation of food becomes emblematic of the challenges and triumphs of maintaining cultural continuity in new environments. Adichie's characters grapple with the complexities of identity and belonging, using food as a bridge between the homeland and the diaspora, thereby contributing to the evolving narratives of postcolonial diasporic experiences. Moreover, the examination of culinary labor through a postcolonial feminist lens brings attention to the gendered dimensions of food preparation. Characters, often women, negotiate not only cultural expectations but also the intricate interplay of gender roles within the postcolonial context. This underscores the intersectionality of postcolonial and feminist perspectives in shaping the culinary narratives within Adichie's novels. In essence, the negotiation of food and culture in Adichie's works, when viewed through the critical lens of postcolonial theory, transcends the boundaries of the culinary world. It becomes a portal through which readers can navigate the complexities of postcolonial realities, offering a profound understanding of the ways in which characters assert their identities, resist hegemonic forces, and, ultimately, contribute to the ongoing narrative of cultural negotiation in a postcolonial world. Through the rich tapestry of culinary narratives, Adichie invites readers to savor not only the flavors of her characters' meals but also the intricate layers of cultural resilience and transformation

**Abstract:** This article will formally and thematically analyze *Kindred* by Octavia Butler. It argues that the novel is set against the backdrop of a white supremacist regime. It shows how perceptions are influenced by the state, particularly when it comes to other people. Historically, science fiction has been linked to white male Anglo authors. But the main focus of this essay is on African American author Octavia E. Butler and her groundbreaking science fiction book *Kindred* (1979), which offers criticism of racism in both slavery-era America and modern-day America while also reinterpreting traditional science fiction tropes. Analysis is done on the use of time travel as a tool to revisit racial standards. Butler goes back in time to illustrate the atrocities of a racist society in both the past and the present through the mixed-race pair Dana and Kevin.

The purpose of this article is to formally and thematically analyze *Kindred* by Octavia Butler. This paper argues that the fact that both novels are set against the backdrop of a white supremacist regime makes them worthy of significant analysis. It's interesting to note that, despite the novel's inspiration coming from various racially oppressed nations, the ethical implications about complicity and perception are the same. Both show how perceptions are influenced by the state, particularly when it comes to other people. In turn, these beliefs encourage people to participate in oppression. But the book also warns against assuming anything without context when assessing someone else's complicity. In some people, complicity is sometimes unknown or inevitable.

Historically, science fiction has been linked to white male Anglo authors. But the main focus of this essay is on African American author Octavia E. Butler and her groundbreaking science fiction book *Kindred* (1979), which offers criticism of racism in both slavery-era America and modern-day America while also reinterpreting traditional science fiction tropes. Analysis is done on the use of time travel as a tool to revisit racial standards. Butler goes back in time to illustrate the atrocities of a racist society in both the past and the present through the mixed-race pair Dana and Kevin.

*Kindred*, Octavia Butler's 1979 book, opens in *Medias res*. Dana Franklin, the protagonist, lost her arm in a mysterious accident. In the absence of an explanation, the reader is left feeling just as perplexed about what has transpired as Dana probably was at the time. It isn't until Dana takes us back in time to hear her story at the start of the second segment, "The River," that the reader finds out what exactly led to the loss of her arm. This section's first sentence introduces temporality as a recurrent issue throughout the book. When Dana states, "the trouble began long before" (12), she implies that the past and its power to haunt her have a significant influence on her current situation.

The origins of the "trouble" can be traced back to the early days of the transatlantic slave trade, as well as Dana's antebellum family history from the 1800s. Although Dana was ignorant of this past prior to her ignorance, it does not absolve the problem from its ability to harm her. Even though Dana's story ends at the end of the book, she has spent her entire life "in the midst of" this difficulty.

In *Kindred*, the narrative centers on twenty-six-year-old Dana, a black woman residing in California in 1976 with her white spouse Kevin. The pair's lives are irrevocably upended when Dana is abruptly and mysteriously taken from her modern house and placed in the world of antebellum Maryland. Six times during the book, Dana makes trips from the present to the past, saving her white slave-owning grandfather Rufus Weylin on each occasion. Dana must constantly save Rufus because her survival depends on him living long enough to father her ancestor, Hagar. She takes enormous personal risk in doing this and is aware that he is developing into a guy she might not want to save. The way that Rufus treats the slaves on his farm, particularly Alice, Dana's matrilineal ancestor, makes her question her commitment to her family and herself. Dana is then forced to consider how her racial hybridity and social connections were formed as a result.

If Dana is ever to break free from the bonds of her slave past, violence will continue to be a recurrent theme and a question she must answer. Dana discovers Alice's father, who we subsequently learn is a severely battered guy who is hung on a tree, during one of her first visits back to the Weylin estate. Dana is shocked by the reality of violence, as she explains: "I had seen people beaten on television and in the movies. I had seen the toored blood substitute streaked across their backs and heard their well-rehearsed screams. But I hadn't lain nearby and smelled their sweat or heard them pleading and praying, shamed before their families and themselves. I was probably less prepared for the reality than the child crying not far from me". (36)

The main source of dilemma for Dana is the fact that she must survive for Rufus, her great-grandfather and a white slave owner, to complete his historical duty of raping Alice, her great-grandmother (and fictional double), and start the line of ancestors that will give rise to Dana. Dana has doubts about her moral need to deal with the little kid who is prone to accidents very away, saying: "Was that why I was here? Not only to insure the survival of one accident-prone small boy, but to insure my family's survival, my own survival? . . . If I was to live, if others were to live, he must live. I didn't dare test the paradox" (29).

As the story progresses, a number of elements—such as genre, identity, and family—define Dana's problems. Butler compels readers to think about the influence of family history on individual identity by plunging her protagonist into the antebellum era. Family history is not something that Dana confines to the past; rather, it is a part of her current life. In a scene reminiscent of the Middle Passage, Dana is abducted across space, just like her enslaved ancestors. Yes, a slave plantation is the "destination" of Dana's forced trip. SherryVint writes that "it is a journey taken to serve someone else's needs, at the end of which she finds herself in a new, dangerous, alien world" (249).

It combines time travel with a narrative about slaves. In *Kindred*, the story of Dana, a black woman contentedly married to her white spouse Kevin during the 1970s in Los Angeles, is told. Dana encounters a phenomenon one day when she is going through books in the newly purchased apartment by the couple that would alter her life forever.

She finds herself in a new location where a young white boy has fallen into a river and is yelling for assistance. After saving the infant, she quickly learns that everyone in this odd area believes she is a slave just based on the color of her skin. She returns to her current life in Los Angeles when her life

is in danger, and her spouse wonders how she could have vanished from their house for a little period of time.

Looking back, it's also noteworthy that, at this point, Dana's husband Kevin is not mentioned in relation to the scars from the past. Kevin is later revealed to be Caucasian and goes with Dana on one of her time travel excursions. Kevin regrettably has to spend the next five years of his life in the nineteenth century after losing contact with Dana upon her return home. Dana can see that Kevin has been affected by his past when they are finally reunited. His face was weathered and lined. It's also noteworthy, looking back, that at this point, Dana's husband Kevin, is not mentioned in relation to the scars from the past. The identity of Kevin, who goes with Dana on one of her trips into the past, is later revealed to be white. Unfortunately, Kevin is compelled to spend the next five years of his life in the nineteenth century after he separates from Dana upon her return home. Upon their eventual reunion, Dana can see that Kevin has been affected by his past.

His face was lined and grim where it wasn't hidden by the beard. He looked more than ten years older than when I had last seen him. There was a jagged scar across his forehead - the remnant of what must have been a bad wound. This place, this time, hadn't been any kinder to him than it had been to me (184).

This is not to say that an African-American woman, and a slave at that, had the same struggles as a white man in the nineteenth century. The purpose of the point is to serve as a reminder that the effects of America's history of slavery have not only been felt by African-Americans. For White people as well, the legacy of slavery has significant consequences. It isn't immediately clear that the past "hadn't been any kinder" to Kevin than it was to Dana. The prologue's omission of Kevin's wounds appears to be meant to convey a narrative point: perception is what separates Kevin and Dana. Even though they are not immediately apparent, Dana's wounds are evident. Kevin's, on the other hand, are not made public until the couple has gone through their unique historical lesson.
